News of the Boys in Service

—V—

"This is the letter I have been looking forward to writing for quite some time," says Sgt. J. A. Westhoff, APO 705, San Francisco.

"Would you please scratch my name from the list of service men to whom you send your paper? It isn't because I don't enjoy reading your paper; as a matter of fact, it's just the opposite; but the army has just about decided to send me back to the States for a discharge.

"At present I am in Japan and have been here for about two months. This gave me plenty of time to look around and now I'm ready to leave.

"I often wondered what happened to some of the papers I never received. Today I got a faint idea, as two papers from October 1944 arrived in the mail.

"I want to thank you and let you know I appreciate your sending me the paper. It gives me a good idea of what Antioch will be like when I get back."

—V—

Simon C. Edlemann, SF 2/c (T-CB), Highway 59, received his discharge from the naval service Dec. 5 at Great Lakes.

—V—

Pfc. Homer E. Edwards, who entered the army June 26 at Hunting, W. Va., received his honorable discharge from the Chantute Field Separation center Dec. 7. Pfc. Edwards has been serving as a bombsight mechanic. He was engaged in school administration in civilian life. His civilian occupation was school administration.

—V—

"Since I am due to leave for Great Lakes shortly to receive my discharge, my name should be removed from your mailing list," Carl O. Gilbert, OM 1/c, writes from Camp Parks, Calif. "The paper was appreciated—so thanks to all those responsible for its mailing. Here's hoping you may soon scratch all the boys' names from your list."

—V—

Earl Pape, GM 3/c, (T) was granted his discharge from the naval service Dec. 7 at Great Lakes. Ralph C. Bergin, MoMM 2/c (T), of Fox Lake, also received a discharge at Great Lakes on that date.

—V—

"It has been quite a long time since I have written to you, and I am a little ashamed of myself," commences Joseph A. Zajicek, 1019 South Gunderson avenue, Oak Park, Ill. "Hope you will overlook it."

"This letter that I am now scribbling happens to be my first as a civilian, as I have just received my honorable discharge, effective the fifth of this month. Boy, it surely is a grand feeling.

"My only thoughts now are to take good care of my family, as they need it."

"I want to thank you very much for the prompt delivery of the News, as it sure came in handy for keeping in contact with others in the service."

"Hoping all the rest of them can be released in the very near future, as I know how they feel."

"In closing, I again want to thank everyone who was responsible for all this, and hope I can see them in the near future."

Former Pvt. Zajicek was stationed at Wright field, Dayton, O., prior to receiving his release.

—V—

T/4 Edward C. Bauman arrived in New York on the John Ericson Monday.

—V—

Among those from this area who are expected home soon are Cpl. James Atwood, APO 613, New York; Howard Atwood, AS, Princeton university; Robert Hunt; Clarence Runyard, Seattle, Wash.; Sgt. Roy W. Aronson, APO 513, New York.

—V—

W. W. Haerther, Jr., Lake Villa, received his discharge from the navy recently at Great Lakes.

Lions Entertain Ladies at Dinner and Dance Monday

One of the largest and most successful of the annual "Ladies Night" parties sponsored by the Antioch Lions club for members and their wives or lady guests was that held in the Pasadena Gardens Monday evening, with 103 in attendance.

An Italian style turkey dinner, served in courses at tables which were arranged along the sides of the ballroom, opened the evening's program. Serving commenced at 7 o'clock with each group being accommodated separately as they arrived.

A floor show during the evening featured a master of ceremonies, a dance team and a juggler. Informal entertainment was presented by a "Stroller" duo of violin and accordion.

An orchestra played for the dancing.

Favors for the ladies consisted of large, beautifully decorated plates of Pickard chinaware, made in Antioch.

Antioch Gets Ready to Have Big Christmas

Colored Lights are Put Up This Week; Carols to be Broadcast

After four war-time Christmases, Antioch is preparing to observe the holiday this year with a zest which seems to be dampened but little by the still-existing shortages of merchandise.

Strings of colored lights were put up over the streets in the business section Monday. Mercantile and other establishments have been arranging unusually attractive window displays, some of them with special lighting effects.

—V—

As in past years, carols are to be broadcast over a loud speaker system.

Many Parties Planned

A number of concerns are holding special Christmas parties.

A complete dinner, with turkey and "fixings" will be enjoyed by the employees of the Burgess Battery plant Thursday afternoon at 1.30 o'clock. Pickard, Inc., is planning a party for Saturday.

Home-Building Project Underway at L. View

Completion of two homes in a 25-house building project in Stanton Point grove, Lake View subdivision, has been announced by Harry Healy and William Feigenbutz of the F and H Home Builders, Fox Lake.

—V—

E. H. Rose has been elected president of the recently organized Fox Lake Business Men's association. Other officers for the coming year are Arthur Schuenemann, vice-president; C. J. Norman, secretary-treasurer; Matt Waller, ex-officio president. The organization has 45 members.

Chairmen of the committees, who with the officers make up the executive board, include Lou Bryk, Robert Bingham, Gertrude Grams, William Bartelt and Dr. Joseph A. Tischler.

The association is planning to sponsor a Christmas festival for the Fox Lake community and is receiving almost 100 percent cooperation from merchants of the village and nearby area, it announces.

Three large Christmas trees are being set up in downtown Fox Lake and one in Ingleside. Lights are being donated by the village board. A sound amplifier system will be employed for broadcasts of Christmas music, according to the association's plans. A "real Santa Claus" is to be present to distribute gifts to the children under the largest Christmas tree, on Christmas Eve.

Fire Destroys Barn, Cattle, on Cole Farm

The barn and contents, including a large herd of cattle, on the property known as the "Cole farm," tenanted by Schmidtke, on Highway 173 about a mile west of Antioch township, were destroyed by fire of unknown origin Tuesday around midnight. Firemen were summoned from McHenry, but because of the start which the blaze had gotten, little could be done aside from saving the house and other buildings.

A BAD DREAM

"Gifts for Yanks" Drive Sponsored by Legion Groups

Packages for Hospitalized Veterans Will be Collected Here

The Antioch American Legion post and auxiliary are again cooperating in the nation-wide drive to insure "Christmas Gifts for Yanks Who Gave."

The assistance of the community in general is being asked to make this year's collection a success, because of the brief time left in which to complete the drive.

"For the hundreds of wounded and sick service men and women returned by our armed forces to the hospitals in this country or hospitalized there while on duty, this holiday season will be a sad and lonely one. You are, therefore, requested to remember them by purchasing a gift so that we can deliver it to them the day before Christmas for you," the sponsors of the drive ask.

Suggestions Given

The price range of the gifts should be between \$1.00 and \$5.00. Suggestions for men's gifts include handkerchiefs, shaving cream, shaving brushes, shaving kits, toilet articles, new books, pipes, comb and brush, cigarettes, sweaters, writing kits, shaving lotion, talc and powder. Suggestions for women are cologne, tooth powder, tooth paste, cosmetics, hand mirror, tooth brushes, manicuring sets, new books, dressing powder; hair brush. No razor blades, candy or food should be sent.

The name and address of the sender should be placed inside the package. A list of the articles contained should be attached to the outside, together with a notation as to whether it is for "G. I. Joe" or "G. I. Jane."

Packages from Antioch will go to Downey hospital, it is announced. They may be left at the Antioch News office, for collection by the local Legion organizations.

John L. Horan of Antioch is Tenth District chairman for the campaign.

H. S. FACULTY ENJOYS "PROGRESSIVE DINNER"

A "Progressive" dinner was enjoyed by 16 members of the Antioch Township High school faculty Tuesday evening.

Hostess and host for the cocktail course were Miss Claire Weber and Samuel Wenet. The salad course was served by Miss May Hartley, the main dinner course at the home of Mr. and Mrs. M. M. Stillson, and dessert and games at the T. R. Birkhead home completed the evening.

Christmas decorations were featured at each of the homes.

Mrs. Warren Edwards celebrated her birthday anniversary, which occurred on Dec. 9, with a party at her home near Grass Lake Saturday evening, Dec. 8. About 35 relatives and friends were present from Chicago, Harvard, Ill. Waukegan and Lake Villa as well as Antioch.

Mrs. Nick (Helen) Hilbert, Jr., is a patient in the Highland Park hospital, where she underwent a major operation several days ago. Mrs. Edgar Simonsen called on her Saturday.

The club's annual Christmas party for children of the township will be held in the Lake Villa Grade School gymnasium Saturday evening, Dec. 22, at 7.30 o'clock.

Three Antioch Youths Win County Livestock Awards

Antioch 4-H club members captured honors for Lake county in the beef, swine and sheep raising projects for which awards were made by the Chicago Producers' Commission association this year. The members and their projects are Harold Meyers, beef; Donald Irving, swine; Warren Wells, sheep.

In an announcement made by Farm Advisor Ray T. Nicholas, it is explained that the awards consist of beautiful silver medals which are given on the basis of the achievement record in the respective livestock project in which the member is enrolled; participation in local, county and state 4-H club activities, and responsibilities taken in the organization.

Previous county winners are not again eligible for a medal in the same project.

Lake Villa Club Will Sponsor Kiddies' Fete

All grade school children in Lake Villa township are being invited by the Lake Villa Men's Community club to attend the Christmas festival the club will sponsor Saturday evening, Dec. 22, at 7.30 o'clock in the Lake Villa Grade School gymnasium.

An attendance of around 200 children is expected, according to Charles Von Oeyen, chairman of the club activities committee.

There will be a present for each child. An entertainment program is being planned that will include a Christmas play by the girls' dramatic club that is sponsored by the Community club.

Former Antioch Woman Dies in Philadelphia

Mrs. Lena Pearl Holmes, who was born in Antioch Aug. 12, 1883, passed away Dec. 3 in Philadelphia, Pa., where she made her home with a daughter, Mrs. Leo Grill.

Mrs. Holmes had been in poor health for several years.

She was the daughter of the late Mr. and Mrs. John Drury of Antioch and made her home in this community until her marriage.

A sister, Mrs. Belle Longman, is a resident of Trevor, Wis. She is survived by two sons, John Holmes, Chicago, and Robert Holmes, Philadelphia. A daughter, Zaida, preceded her in death.

Irving Elms, Clete Vos and Clarence Shultis were selected by the Antioch Fire department at a meeting Tuesday evening to work with the village board on plans for a new fire station. A chili luncheon was served afterward, under the charge of Einar Petersen.

Help Win that Silver Trophy!

For the last two years, Lake county has ranked first in Christmas seal sales in Illinois. If Lake county ranks first this year, it will retain the trophy permanently, residents are reminded by Orpha L. White, of the Lake County Tuberculosis association.

Latest reports from the Illinois Tuberculosis association list Peoria county as ranking first in the sale of Christmas seals and Christmas Seal bonds, exclusive of Cook county. Winnebago county is second, and Lake county third, with more than \$1,700 to be made up in order to reach first place.

"It is not so much the honor of keeping the silver trophy for having the highest seal sale in the state, but

the association faces the fact that it must have the highest seal sale in its own history to finance its clinics, mass x-ray surveys and its educational work, and also to make final payment on its new Mobile x-ray unit," says Miss White.

"There are still over 27,000 Christmas seal letters unanswered and from that source it will still be possible to win first place in the seal sale. The association hopes that its many contributors, realizing that the sale started one week earlier, are merely waiting to make their contributions at the same time as in previous years."

—How about it, Lake county? Are ya gonna bring that trophy home for good this year?

The Gift of a Bond Now Can Buy Another Gift Later

With the extension of the Victory Loan drive, which had been scheduled to end Dec. 8, many persons who have not yet had an opportunity to share in the purchase of bonds may now find it possible to present them as Christmas gifts.

In view of the present scarcities of merchandise, a bond which may be applied toward the purchase of some desired article at a later date, when supplies become more plentiful, may be a welcome gift at this time.

SALEM

Mrs. C. L. Barthel, publicity chairman of Salem Center P. T. A., reports the December meeting opened with community singing of Christmas songs with Mrs. Harry Krahn at the piano. Mrs. Krahn, who is also secretary of the organization, read the minutes of the previous meeting, and Mrs. Emer Kaphengst, principal, gave the treasurer's report as well as the financial report on the hot lunch project. Final plans were made for the public card party which was given at the schoolhouse Saturday evening. Mrs. Morton Romie, president, appointed the following committees for the next meeting which will be held on the second Tuesday Jan. 8, at the schoolhouse: Lunch, Mmes. Lewis Barthel, Earl Firchow, and G. J. Nelson; program, Mmes. Lester Dix, David Elfers, and Harry Krahn. The annual Christmas program is listed for Dec. 21 at Salem Hall with Mmes. Arthur Bloss, Sr., J. J. Schlax and Fred Richards, appointed to fill Christmas bags; Messrs. G. J. Nelson and C. L. Barthel, to purchase and erect the tree; trimmings, Mmes. Gilbert Tuttle, Edward Evans, and William Kaphengst. The Rev. Dale Jennings then assumed charge, led in a group of games, and offered a talk, "Growing up of Children and Adults." The meeting adjourned and all enjoyed an informal hour and

luncheon.

Pfc. Robert Manning, 7th Army Special Service, writes his appreciation of Salem items in the local papers while he is in Germany. He is stationed at a beautiful ski resort in the Bavarian Alps, not far from Austria, and Switzerland, as he puts it, "Not far from the infamous pass where Hitler held his many meetings with II Duce. The scenery is absolutely majestic! So many towering mountains, so much snow, and such refreshing mountain air. If this were America and not Germany!" Bob has been overseas eight months. He is writing radio scripts for the Armed Forces network which has stations in London, Paris, Berlin, Munich, Stuttgart, and Frankfurt and has had three of his productions on the air, of which he is justly proud. Pfc. Robert is a son of Mr. and Mrs. E. T. Manning of Salem and a brother of the late Lt. Thomas E. Manning who met his death over China a year ago. Mrs. Byron Patrick, accompanied

by Mrs. Robert Imrie, went to Rhineland, Wis., Monday to consult a physician regarding the fractured arm which she sustained in September while vacationing in the northern part of the state.

Mrs. Fred Stephens is a patient at the Kenosha hospital, where she underwent a major surgery Monday.

Explorers' Camp Verendrye, national monument in North Dakota, marks the spot on the left bank of the upper Missouri river where the sons of the French explorer, Verendrye, camped during their explorations in 1742. Crow-high Butte, rising 565 feet above the river on its left bank, is the central figure of the monument.

Building a rural telephone line
using the new high strength steel wire

NEW ROADS FOR YOUR VOICE TO TRAVEL

New ways have been found to extend telephone service to more farm families.

One of them is a new steel wire so strong that far fewer poles are needed per mile. Another is an insulated wire that can be buried directly in the ground.

These are two of the new developments in farm telephone service that we are now starting to put in use. They are part of Illinois Bell's \$3,000,000 rural telephone program to provide more and better telephone service for thousands of farm families.

The law* now says—

**YOU CAN'T DRIVE
YOUR CAR**

IF you should have an accident and lack the money or
insurance to cover possible claims that may follow.
Here's how this new law works:

If you have an automobile accident which kills or
injuries any other person or causes over \$50 property
damage, you must—within 60 days—do one of these
things:

1. Show you have Automobile Insurance that covers
the accident, or
2. Prove that you have arranged to pay any resulting
claims against you, or have been cleared of liability
for such claims, or
3. Put up cash or other securities, as required by state
authorities, sufficient to cover possible claims, up to
as much as \$10,000 for death or injury cases, and
\$1,000 for property damage.

Unless these requirements are met promptly, your license
will be suspended and you will be forbidden to use any
car in this state.

Your best bet is Hartford Insurance

Hartford's Automobile Liability and Property Damage
insurance is tailor-made to fit this new law.

In case of accident, a Hartford policy will give you
double protection. It helps you to retain your right to
drive. And it will pay—up to its limits—any claims or
judgments awarded against you.

If you lose the right to drive your car, it may be a serious
inconvenience. If a court judgment strips you of your
home and security, it's a catastrophe.

For your own protection, the security of your family,
and to safeguard your driving rights, act now to get
Hartford Automobile Liability and Property Damage
insurance. The value is great—the cost reasonable!

SMART FARMERS ARE SAYING "I'LL TAKE MY FERTILIZER NOW!"

"I used to wait until spring to buy my fertilizer. But times have changed! Today there is still a shortage of labor for handling deliveries; potash and phosphates are in greater demand than available supplies can take care of. Every farmer will want to step up yields again next year. I know, from long experience, that the best way to do this is with ANTIOCH MLG. CO. SOIL BUILDERS. I've seen how it increased yields of corn selected year after year for National and State Corn Husking Contests. It's my first choice among fertilizers.

"No one can tell what delays or other shortages we may have this spring. I am changing my buying habits and getting ANTIOCH MILLING CO.'s fertilizer NOW."

Antioch Milling Company

Is Ready for You

We can supply you with 3-12-12, 3-12-6, 0-19-0, and 0-12-12 for Dec. 1945 delivery.

It's a wise farmer who takes his spring fertilizer NOW. Shortage of hands for shipping, trucking—combined with uncertainty of product restrictions, warrant storing spring fertilizer on the farm. Our Fertilizer in moisture-resisting 80-lb. Handiwate paper bags is easy to handle and easy to store. Don't wait and hope to get it in the spring. Take your fertilizer NOW and avoid delays or disappointment when you are ready for planting. We suggest your calling on us NOW.
